Past Activities

Mentorship

PCEBP organizes mentorship meetings with trainees that completed the Comprehensive Systematic Review Training Program (CS-RTP). These meetings allow experiences sharing in conducting systematic reviews following the JBI methodology (from title to final report).

The 7th PCEBP Mentorship Meeting took place in June 1st 2017 at the Health Sciences Research Unit: Nursing (UICISA: E), Nursing School of Coimbra. Sixteen trainees participated (Figure 2). Two trainees from Costa Rica participated in part of the meeting through Skype. Two protocols of systematic reviews and one title proposal for were presented and discussed.
